

Leon Joohyung Kim

Business Growth · Brand Strategy · Commercial Planning

joo hk1179@gmail.com · Business Growth Strategist

SUMMARY

FIT-trained in Fashion Business Management, with hands-on experience turning brand marketing and full-scale restaurant operations into measurable growth. I connect consumer insight, operational data, and execution to help businesses grow deliberately, not by accident.

EXPERIENCE

Restaurant Operations Lead

Izakaya

Full operational ownership — revenue, cost, inventory, staffing, menu, floor

- Analyzed POS data to identify purchase patterns and underperforming menu items
- Redesigned menu structure and store layout based on data-driven insights
- Grew monthly revenue from 19,000,000원 to 25,000,000원 (+30%)

Brand Marketing (SNS & Community)

Street Brand

Influencer collaboration, content strategy, community management

- Planned and executed influencer partnerships to expand brand reach
- Grew follower base from 1,800 to 2,300 (+27.8%) through content and community strategy
